

From the Principal

Dear Parents/Caregivers,

This is our first newsletter of the Term and it comes with concerns for all, over our student and families health and wellbeing. Here at school, we are following all department protocols ensuring we provide information and support wherever necessary. We are also working on making access to our Online programs available to all our students and work packages are available if required from our front office. We will endeavour to keep you updated via our Facebook page as the situation evolves.

Earlier in the Term we were able to participate in Swim School and although the weather was particularly fickle our students enjoyed the opportunity to learn how to swim. Forty lucky students from Years One and Six were able to attend the Variety Zoo day at the new Sydney Zoo and by the painted faces and smiles on return, all enjoyed the day.

Our leaders had a great day at Longneck Lagoon learning the skills of cooperation and team building and our swimmers competed well at the Swimming Carnival.

Longneck Lagoon

On Friday 28 February our School Leadership Team had the opportunity to attend special training at Longneck Lagoon. The leaders had the chance to participate in team building games that allowed them to gain better understanding of what it means to be part of a team and work as a leader. Some of the activities included a blind guided tour which required students to communicate to ensure they all returned safely, stepping stones and working together to swing to a safe platform and get the rope. Students had a great day and thank you to Miss Perkins and Miss Sam for coming on the day.

PBL

Swim School

More than 60 students participated in the School Swimming and Water Safety Program this year. The 10 day program educated students on water awareness, survival and rescue skills. Many students improved their confidence in the water. It was a fun time in and around the water.

Swimming Carnival

After all the rain, on Friday 21 February eleven students from our school went to the Charlie Lowles Leisure Centre at Emerton to compete in our annual swimming carnival. The teachers were very impressed with the effort of these students, competing in every event with enthusiasm. Well done!

Office Hours and Payments

Our office hours are 8:30 – 3:15pm. If you need to see Mrs Finn or your child’s teacher, please do so through the front office door between these hours.

When making payments online please ensure you still sign a permission note and give it to the office.

Book Club

Thank you to all of our families that have supported Book Club this year. Every order we receive earns rewards for us to use to purchase resources for our school.

This year we have been able to purchase many resources for our school library for both students and teachers.

The LOOP platform has been very popular this year and we look forward to it being even better next year.
